Morning Hope! I see we have an aldicarb briefing this am. The PCTn numbers are wrong in the slide deck-  
-just wanted to make sure it's OK for me to change these numbers with having talking to anyone on the  
team since Wednesday last week.

hendrick.lindsey@epa.gov [11:47 AM]:

johnson.hope@epa.gov [11:49 AM]:

Oh thanks! Email Debra of the need to change and what to change it to.

johnson.hope@epa.gov [11:49 AM]:
